Introduction
The 4th Annual Young Neurosurgeons' Meeting 2014 - Challenges for the Vascular Neurosurgeon, will take place in London at last year's popular venue The Royal College of Surgeons of England.

Topics including AVM, Cavernoma, Aneurysms, Vasospasm and Cerebral Revascularisation will be presented using a mixture of formats encouraging debate and exchange of knowledge.

There will be several networking opportunities with a drinks reception, a tour of the anatomical Hunterian Museum and a formal dinner where we can all catch up with old friends. We support the opportunity to bring your own cases to what we hope will be a truly interactive and rewarding meeting.
